**The latest changes to the SOS.**

We have a little less than a month left until the Show of Shows. Many changes have happened. Here are the ones you need to know.

1. The SOS has been moved to a new hall. We are now in the North Wing. This is the hall that the National Gun Day Show uses in February. We will return to Hall "C" in 2022. Your table location may also have changed. This, too, will only be for this year, you will return to your original location in 2022. Do not call and ask about your table location for this year. This information will be on your dealer packet. Please be patient.

2. There will be no volunteer set-up crew this year. Thanks to all those who have help throw tables in the past. You all did a great job!

3. Dealer parking and load-in instructions will be coming to table holders soon in your confirmation packets. Do not call and ask, as it wastes valuable time.

4. Dealer packets will be available in the North Wing lobby after 1 pm on Wednesday, July 21 and the drive-in / load-in will run from 5 to 8 pm. There will be no drive in on Thursday, but you will be able to cart in you items starting at 8 am.

5. Do you need a scooter? Scooter rental will be handled through Scooter Time Rentals. Their website is <https://www.scootertimerentalsinc.com/>. The Show of Shows will be listed under the "Events" tab and then under the "New Shows For 2021" heading. Online reservations can be made 24/7, over the phone reservations can be made Monday through Friday from 8:00 a.m. - 5:00 p.m. EDT. The number to call for reservations is 423-569-1933, the number to call for "on-site" assistance will be 423-569-1934. Scooters will also be available in the North Wing lobby during the show.

6. If you want an ad in this year's program, I must have your camera ready art work by the end of day on July 5, 2021. I know that's a short deadline, but that's the way everything is working this year.

7. MAX Show information will be coming in the next JTF newsletter.
